

Solomon Design Solutions, LLC

Capability Statement

WWW.SOLOMONDESIGNSOLUTIONS.COM

Founded in 2017, Solomon Design Solutions, LLC is a certified Service-Disabled Veteran-Owned Small Business (SDVOSB) dedicated to providing strategic consulting services and supplying the Department of Veterans Affairs and the Department of Defense (DoD) with medical and commercial-grade products to meet our government partners' needs. With decades of hands-on experience in the DoD and federal sectors, we understand the unique needs of the organizations we serve and are committed to delivering the highest value and quality.

Core Competencies

- **Consulting:** Provide expert advice and strategies tailored to client-specific needs, ensuring alignment with industry best practices and innovative solutions.
- **Technology:** Offer cutting-edge technological solutions, including software development, systems integration, and IT infrastructure services that drive efficiency and growth.
- **Managed Services:** Deliver comprehensive managed services encompassing end-to-end IT support, network management, and proactive monitoring to optimize operations.

Differentiators

- 100% veteran owned and operated
- Decades of experience with first-hand knowledge of VA, DOD, and IT Project management
- Lean Six Sigma trained leadership
- PMP & FAC-P/PM certified Program and Project managers
- MCSE, MCSA, and MCP trained IT professionals
